One unique feature to Muse Design Studio is the introduction of a reply post card. This is a very quick way to get responses back from your guests. Your design is displayed on the front and on the reverse are your address details. By affixing a stamp* yourself all your guests will need to do is simply add their names, state whether or not they can accept and post the reply straight back to you.

Blank envelopes for the Reply cards are supplied free of charge, however if you would like the Return address printed this will cost 20p per envelope.
